What is English Coursework?

English coursework usually takes the form of an extended essay with a title of your choice. You're usually given a choice of themes and/or texts to explore, and you could choose a format such as a comparison between a set text and another one.

The Rules

- **No plagiarism**
- **There's only so much help your teacher can give you.**
- **Check the word count and stick to it.**
- **Check what topics you're allowed to do your english coursework on**

Choose Your Topic Wisely

Ideally, choose something you're genuinely interested in, as your enthusiasm will come across and you'll find it more enjoyable to write.

Plan how long it's going to take

**Never leave your english
coursework until the last
minute, even if this is your
normal approach to essays
and it usually works for you.**

Final pre-submission check

- **Sense check:** have a read through your completed piece of work and check
- **Word count:** ensure that the completed work falls within the word count.
- **Proofread:** check your spelling and grammar, and ensure that there are no typos.
- **Formatting:** check that you've included page numbers.
- **Bibliography:** check that you've included everything.
